SKILLS

LANGUAGES

ABOUT ME

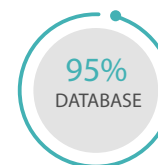

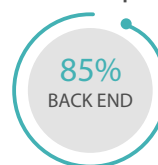

Experienced full-stack developer with a proven 3-year record. My mission: drive growth and continuous learning. Notably led Zest's sophisticated website creation and guided Alwedd to real estate success. Eager to leverage tech innovation and skills to elevate your objectives.

PROJECTS

- 2022 - 2022 | **ZEST-PROPERTY**
Crafted Zest Property Website for Zest Real Estate, elevating property search with intuitive design and dynamic listings.
- 2023 - 2023 | **ALWEDD-BAGHDAD**
Redefined real estate experiences with a groundbreaking website for Baghdad's premier Alwedd Baghdad project.
- 2023 - 2023 | **AI Campaign Manager**
Streamline marketing outreach with our AI Campaign Manager, automating dynamic newsletters and WhatsApp campaigns for heightened efficiency.

PROGRAMS

Fluent in JavaScript, PHP, Node.js, React.js, React Native, and Express.js. Crafting dynamic web and mobile and server apps with a focus on seamless experiences and innovation.

WORK EXPERIENCE

- 2022 - 2023 | **ZEST COMPANY**
Enhanced Zest Company through impactful web development, elevating user experiences.
- 2023 - 2023 | **BRT COMPANY**
Spearheaded diverse, unpublished projects at BRT, driving innovation from concept to execution.
